AUVAsicher

Prevention Services for Small Businesses “Safety. Health. Prevention.”

AUVAsicher is Austria’s national prevention program offering free occupational safety and health support to businesses with up to 50 employees.

Key Figures

- 108,000 companies supported in Austria
- 98% of Austrian companies have < 50 employees (AUVAsicher focus)
- Prevention centers in all nine federal states
- AUVAsicher supports around 850,000 people – about one fifth of Austria’s 4.5 million employed persons
- AUVAsicher is a unique free global model providing small businesses with occupational safety support through an accident insurance institution
- There are three types of support: initial support, regular support, and eventbased support

European Framework Directive 89/391/EEC

- Employers must ensure safety and health for their employees

Our Vision “We SAFE your business.”

- Commitment to safe and healthy workplaces
